Composition

SG5+SG6 Final Revision
U5 - U6 ☺ U1-U2

Revision of First Term 1443

Composition

U5*Write a paragraph about **Your Most Important Belonging**. Give your opinion about it. Use the guide words:

Guide words: mmmm - ... - ...

Guide questions:

- What is your most important belonging?
- What is it like?
- How can you use it correctly?
- Why is it important to you?

My most important possession is my cellphone, Samsung Galaxy J2 Prime, which is my strength and my stress reliever. My cellphone is important to me, because I use it to communicate with my friends and family. I use my phone to watch movies or anime because I don't watch television. I also can call my friends. I get nervous when my phone is misplaced, or my friends hide it. Without a phone, my life will not be completed.

الجاميها

U6*Write a paragraph about **Your City**. Give your opinion about it.

Guide words: .. - .. - ... - ..

Guide Questions:

- What is your favorite city?
- What is it like? What are the famous places there? What can you do there?
- What do you like and dislike about it?
- How can people there protect the environment? why?

My favorite city is Abha. It is a small city with wonderful trees and parks. It is so cold. There's a famous city "High City" I can visit the Art Street and climb the Souda Mountains. I like its clean air and quietness. I like the hills and the old brown buildings, but I don't like it in winter. People can protect its environment by not throwing trash in its national parks. Because it's a beautiful city. I think we should follow the rules and laws, respect the right of others, be a good neighbor.

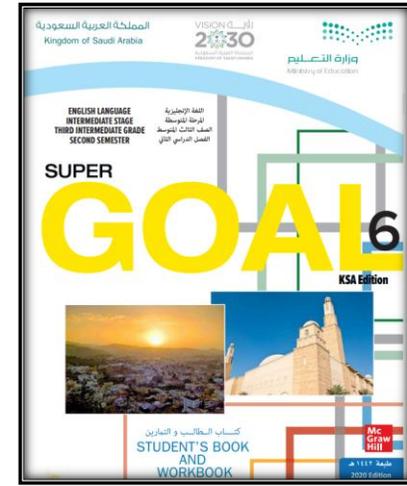

SG6-U1* Write a paragraph about A Strange Coincidence or A Chance Meeting. Give your opinion about it.

Guide Questions:

What happened last week?
Who did you see or meet? Where?
How did you feel? Why?

a model

Last week, I went to the Red Sea mall. I saw an old friend. On a café. I was happy and surprised to see her after all these years. Because she was one of my best friend. It was the strangest coincidence of my life to meet her.

SG6-U2* Write a paragraph about Driving Age. Give your opinion about it

Guide words: prone - level - ...

a model

There is an argument that the legal driving age which is 16 years old in some countries, is too low and this causes an unacceptably high level of traffic accidents. Raising the driving age, would ensure young drivers are more experienced and less prone to road rage, which can put other road users at risk. Most teenagers are immature. For this reason, they are not responsible drivers.
